

# OFFICE OF THE REGISTRAR OF CO-OPERATIVE SOCIETIES IN MYSORE, BANGALORE.

Notification dated 24th April 1945.

## Small Savings Scheme.

**No. 14429 C. S.** The Government of His Highness the Maharaja of Mysore have sanctioned the Small Saving Scheme in co-ordination with the Government of India, for popularising the sale of Post Office 12-year National Saving Certificates, which afford a convenient form of investment of the savings of the people, by the encouragement of the 'Saving habit'. The following instructions for the working of the Scheme are hereby issued.

2. The main objects of the scheme are to promote the habit of 'Saving' among the masses and to encourage the investment of the savings in the National Savings Certificates available for sale at post offices. These certificates which are Government of India securities, have been specially issued for this purpose, and yield a handsome rate of interest. They are free of income-tax (both British Indian and Mysore); can be used to pay Government dues; and can be accepted as securities to be furnished by Government servants, contractors etc.

The scheme provides for the appointment of authorised Agents who by personal contact with the inhabitants of the areas in which they work will encourage the 'Saving Habit' and the investment of the savings in National Savings Certificates. Each authorised Agent will be attached to one Post Office only, situated in the area where he would ordinarily canvass business. Any number of Agents may be attached to one post office. The Post Offices to which Agents are attached shall all be situated within the Mysore State. The Agent will collect money from the investor (saver), give him a receipt from an official receipt book for the amount received, fill in the application form for the purchase of National Savings Certificates (known as Form N. C. 1) and get it signed by the investor, hand over the money and the completed application form at the post office to which he is attached, obtain the certificates and deliver them to the purchaser. The Agent should, before receiving the certificates from the Post Office on behalf of his client, verify whether the name of the client has been correctly entered in the certificates, as in the application form.

3. The receipts granted to the purchasers by the Authorised Agent are serially numbered, have counterfoils and are bound in book form. When the Agent purchases a certificate on behalf of his client, the Post Office will impress the date stamp and fill in the serial number of the certificate issued under the signature of the postal official on the reverse of the relative counterfoil. The Authorised Agent will, on delivery of the certificate to the purchaser, obtain his acknowledgment for the receipt of the certificate, on the reverse of the relative counterfoil in his receipt book. Full instructions as to the use of the Receipt Book are printed on the cover of such book.

5. The Agents are entitled to a commission of 2½ per cent on the amounts remitted by them to the post offices, and the same will be paid at the Treasury from which he obtained the receipt book.

6. The Registrar of Co-operative Societies in Mysore is entrusted with the supervision of the general working of the Scheme and will function as the Small Savings Scheme Officer for the State. He is the Central Co-ordinating Authority in this connection and the officers of the several departments will fully co-operate with him in ensuring the success of the Scheme.

## Appointments of Authorised Agents.

7. The Registrar of Co-operative Societies will act as 'Appointing Authority' in the Cities of Bangalore, Mysore and Davangere and Kolar Gold Field Area and the Deputy and Assistant Registrars of Co-operative Societies of the respective Divisions for the remaining places, for the appointment of Authorised Agents. Such Agents will be appointed from the following classes:—

- (a) Shanbhogs and Patels.
- (b) Helpers of the State Life Insurance Department.
- (c) School Masters.
- (d) National War Front Workers.
- (e) Gramasudharakas.
- (f) Suitable non-officials.

8. The number of Authorised Agents required effectively

any sales of National Savings Certificates and recommend the cancellation of the certificates of authority issued to such inefficient or indifferent Agents and the appointment of more competent Agents in their stead. In case the appointment of an inefficient Agent is cancelled, all receipt books in his possession should be recovered and they may be issued to other Agents. The appointing Authority should also immediately inform the post office concerned of the cancellation of the Certificate of authority.

9. Persons desirous of becoming Authorised Agents have to apply to the Appointing Authority of their respective areas. The appointing Authority should take care to see that only persons of integrity and known to the Authority, of sufficient education to be able to complete the necessary forms and receipts properly, preferably owning some immoveable property are selected. The Appointing Authority will, in consultation with the applicant, fix the area where the Agent will work, the post office to which he will be attached and the Treasury from which he may obtain the receipt books and draw his commission.

## Issue of Certificate of Authority.

10. When an Authorised Agent is appointed, the Appointing Authority will fill in the form of 'Certificate of Authority' and also the counterfoil (form of intimation to the Post Office), get the Agent's signature on the certificate and the counterfoil, hand over the Certificate duly signed and affixed with the seal of the Appointing Authority to the Agent and immediately forward the counterfoil to the Post Office to which the Agent is attached. The counterfoil which contains the signature of the Authorised Agent, serves as an intimation to the post office, regarding the appointment of the Agent as well as a means of identifying him with the help of his specimen signature on the counterfoil. Intimation of appointment of the Agent should also be sent simultaneously to the Treasury to which the Agent is attached.

11. The forms of "Certificates of Authority" will be supplied by the Registrar of Co-operative Societies to the Appointing Authorities.

## Issuing and Checking Authority.

12. The Authorised Agents will have to be supplied, as and when necessary, with the official Receipt Books mentioned in paragraph 4 above; and when the books have been used up, the counterfoils will be presented in support of claims for commission. The counterfoils will then be checked to see that each one bears on the reverse (a) the date stamp impression of the post office, (b) the serial numbers of the certificates issued, (c) the signature of the postal official and (d) the receipt of the client acknowledging that the certificate or certificates have been duly delivered to him by the Agent. When the above check has been carried out, the Agent will be paid his commission at 2½ per cent on the total face value of the National Savings Certificates for which counterfoils duly completed as described above or presented.

13. The above duties of issuing receipt books to Authorised Agents checking the counterfoils and paying the commission will be performed by the Officers in charge of the State Treasuries and they will be known as the "Issuing and Checking Authorities" of the Scheme. They will obtain supplies of the blank Receipt Books from the Comptroller to the Government and keep them in safe Custody. A Stock Register of Receipt books in the form prescribed by the Comptroller should be maintained by each "Issuing and Checking Authority" showing the total number of Receipt Books (of each kind or denomination) received from the Comptroller and issued to each Agent, with the serial numbers of the books. They should also send to the Comptroller a monthly statement in the form prescribed by him, showing the number of receipt books received and issued during the month and the balance on hand on the last day of the month, with a certificate of check of the actual number on hand, duly recorded therein. The comptroller will arrange to replenish stocks of books with each treasury before the stock is exhausted. A similar Stock Book will be maintained by the Comptroller in respect of Receipt Books received by him and issue to the several Treasuries.

## Payment of Commission.

14. Commission due will be paid by the Officers in charge of the State Treasuries. After carrying out the necessary

on completed counterfoils after obtaining a separate receipt from the Authorised Agent in the form given below:—

Received the sum of.....being my commission in respect of counterfoils No.....to.....of Receipt Book No.....

No. of Certificate of Authority.

Date.....

Signature of Agent.

At the same time, the relevant counterfoils on which commission is paid should be marked in ink "Checked and Commission paid" and signed and dated by the Treasury Officer paying the commission.

(b) If all the counterfoils in the book have been completed, the Agent's receipt will be taken on the receipt form at the reverse of the counterfoil of the last page of the receipt book which (if commission has already been paid on some counterfoils) will be suitably altered to show the actual serial numbers of the counterfoils on which the final commission is paid.

15. On presentation of completed counterfoils of Receipt books by the Agents, the commission will be immediately paid to them by the Treasury Officer after checking the same as explained in paragraph 12 above. If the receipt book has been only partly used, it should be returned to the Authorised Agent after each counterfoil in respect of which commission is being paid, has been marked in ink as described in paragraph 14 (a) and a receipt has been taken from the Agent. If the book had been completely sold, the Agent's receipt will be taken on the receipt form at the reverse of the last page of the receipt book which (if commission has already been paid on some counterfoils) will be suitably altered (*vide* paragraph 14 (b)) and the Book will be retained by the Treasury Officer.

16. The following head of account will be opened in the Treasury cash account under "23 other Advances (a) (1) Commission paid to Agents for canvassing the sale of National Savings Certificates recoverable from the Government of India". The vouchers obtained from the authorised agents have to be sent to the Comptroller immediately with the first and second list of accounts every month.

#### 17. Partially used receipt books:—

(1) If an agent resigns or his certificate of authority is cancelled by the appointing Authority, the old books in his charge must be recovered by the "Issuing Authority".

(2) Commission may be paid on any completed counterfoils and such counterfoils endorsed as explained in paragraph (14). Such partly used receipt books need not be wasted but may be reissued to another Agent. When so issued, a receipt will be taken from the new Agent showing the serial number of the book issued to him, and the number and serial numbers of unused receipt forms it contains.

(3) When an Agent resigns or his certificate of authority is cancelled, the post-master of the office to which he was attached must at once be informed that the certificate of authority is cancelled.

18. Savings through Stamps and formation of Savings groups and savings committee:—

(a) One of the most important objects of the Scheme is to encourage small savings even amongst the poorest, and as the masses cannot be expected to save Rs. 5. or Rs. 10 at a time, Savings Stamps of the value of one rupee, eight annas and four annas are available at the Post Offices. These stamps can be periodically purchased and affixed to a savings card, which cards are available at post offices (free of charge) and when the total value of such stamps has reached Rs. 5 or Rs. 10 the card may be accepted by a authorised agent in lieu of cash and presented at the post office to obtain a certificate. The Rs. 5 certificate, which has been specially issued for the purpose is encashable after 18 months instead of three years as in the case of other certificates. Authorised Agents should not therefore, neglect the really small-saver but encourage him by providing a savings card and selling National Savings Stamps. For this purpose, each authorised Agent should buy a small quantity of National Savings Stamps for sale to the small-savers replenishing his stock as he sells stamps. He should also get free savings cards from the Post Offices and supply them to his clients as necessary.

(b) Since the object of the Scheme is not only to encourage the purchase of National Savings Certificates by

A Savings Committee will be formed at Bangalore with sub-committees at each District and Taluk headquarters. These committees should consist of state officials, leaders of each community and representatives of each trade, profession or other interests. The object of each committee will be to recruit members to 'savings groups' in the area for which the committee functions. Every person who becomes a member of the local savings group will be asked to state the amount he undertakes to save regularly each month. A list of members with addresses and the amounts they undertake to save will be furnished to the authorised Agent who canvasses the locality in which the particular members live. The Agent will call regularly on the member and sell National Savings Certificates or Savings Stamps to the value of his regular monthly savings. If any member fails for two consecutive months to save the amount he undertook to save when joining as a member of the savings group, the Agent will report the fact to the Committee, who will use their influence to induce the member to resume saving in accordance with his undertaking.

Sub-Committees will report monthly to the Central Committee showing:—

(i) The number of members of the savings group on the last day of the preceding month.

(ii) The total value of monthly savings undertaken by the members.

(iii) The number of members who were reported as having failed in the preceding two months to save according to their membership undertaking

(iv) The number of those referred to (iii) above, who as a result of the committee's efforts have since resumed saving. Members of committees should endeavour steadily to increase the membership of other savings group.

19. Monthly reports as to the progress of the Scheme (the number of authorised Agents appointed and the total value of National Savings Certificates purchased through them) during the month will be submitted by the Deputy and Assistant Registrars of Co-operative Societies to the Registrar of Co-operative Societies and a consolidated report on the working of the Scheme in the State showing the total number of Agents appointed in the State and the total value of National Savings Certificates purchased by the public through them will be submitted by the Registrar of Co-operative Societies to the Secretary to the Government of His Highness the Maharaja of Mysore, Financial Department, Bangalore

Notification dated 23rd-24th April 1945.

**No. A5. L. Dis. C. 2290-44-45.** Whereas I am satisfied that Rinderpest is prevailing in the bordering Districts of Chitaldrug District and that there is danger of the spread of infection if cattle from the infected parts are allowed to be brought to the Jatra of Sri Veerabhadraswami at Harthikote, Hiriyyur Taluk, I A. C. Nirvani Gowda, Esq., B.A., Deputy Commissioner, Chitaldrug District in exercise of the powers vested in me by Government under Acts VI of 1899 and II of 1927 and rules 6 (a) and 12 of the rules framed thereunder, prohibit the collection of cattle at Harthikote, Hiriyyur Taluk during the time of Jatra of Sri Veerabhadraswami from 27th April 1945 to 7th May 1945. Any action done in contravention of this order will render the offender liable on conviction to a fine which may extend to Rs. 50 and to a further fine of Rs. 5 for every day, during which the breach continues.

All persons bringing cattle to the Jatra in contravention of this notification will be sent back.
